Preface

It hardly seems possible that three years have passed since we entered Enfield High School. Through these years we have all grown, not only physically, but emotionally. Our school years have consisted of studying, as well as, new friendships and unforgettable memories. Now, as we start a new phase of our lives, let us look back fondly through these pages, at our years spent together. Then, look ahead with great anticipation for a bright future.

Dedication

*The 1983 Yearbook Staff takes great pride in dedicating this year's **Echo** to Mr. Newell Murri and Mrs. Barbara Kemnitzer, the two members of our art department. There was never a time when they were not there for us, encouraging us, and caring about us. Mr. Murri and Mrs. Kemnitzer have donated countless hours as well as great amounts of supplies to colorfully decorate our school for each holiday and major school function. They also have been instrumental in developing the artistic talents of students here at Enfield High School. Each year the art department enters the artwork of students in the Enfield Arts Festival. These two teachers have organized field trips to major art museums in Boston and New York to encourage appreciation of art and to support the individual artistic talents of their students.*

We are all very grateful, Mr. Murri and Mrs. Kemnitzer for your generous giving of time and effort, and we hope that in some small way this dedication demonstrates to you our great appreciation for all your contributions to our class. We thank you for giving of yourselves so often and so freely.

*We owe it to ourselves
to discover our own special talents,*

*We each have a hero within us.
We each have our own history worth preserving.*

*While we're young,
We have to check out the cards we've been dealt
And sort them out as best as we can.
Making the most of the short lives we have.*

*One day it will be too late,
too late to finish our dreams*

Too late to achieve our ideals.

*While we still can, we must
learn from others, live with others.*

*We must go through the work, failures,
laughter and friendships called life.*

*Life is segmented,
and school time, in retrospect,
is one of the best parts.*

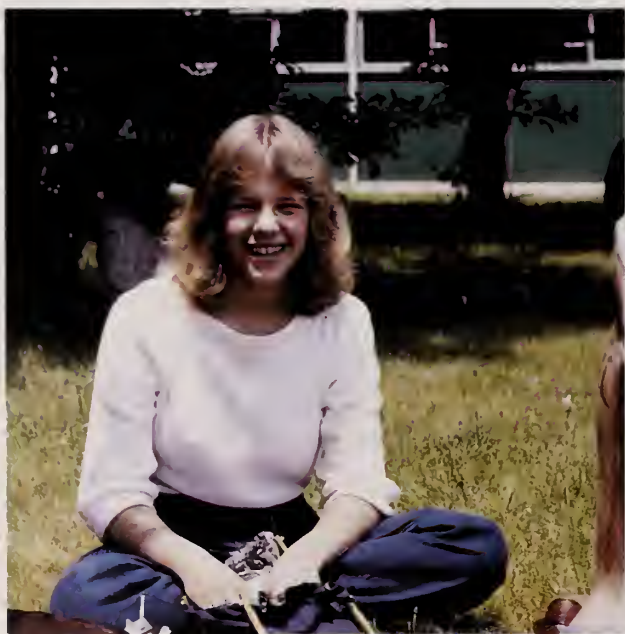

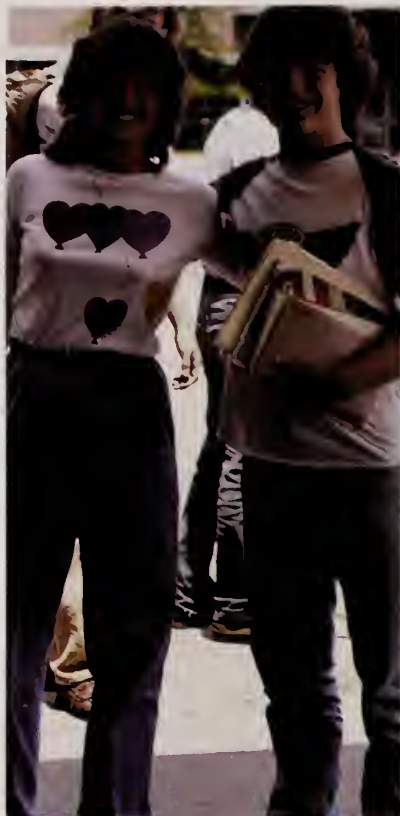

*A part that can never be relived.
A part that should never be forgotten.*

Part challenging, part rewarding

Part friendly, and part crazy.

*Take life while you can ...
And consider every moment precious.
Some day it will be over ...
... some day
you'll wish you were eighteen again.*

Class President's Message

When we first entered our kindergarten classroom, graduation seemed an eternity away. Yet, as seniors it seems like yesterday that we packed our lunchboxes and entered a room full of strangers. But graduation is no longer just a dream; it is a reality within our reach. We must realize that graduation is not an ending, it is a beginning with new hopes, dreams, responsibilities and decisions. We will now open a new door, and as when we were in kindergarten there will be the same fears and doubts about what the future holds for us. What ever road each one of us decides to take in the future, there will be a contact with people and a need for friends. I feel Enfield High School has given us the ability to understand and make friends with many different people. In this way it has prepared us for the world outside of high school. Through our involvement and spirit in various activities, proms, class night, variety show, and homecomings, we have grown closer in our friendships. These friendships are now a living part of us as they influence our lives everyday.

As president of the class of nineteen hundred and eighty-three, I hope that the memories we all have shared gives us the strength to obtain all goals. As we open all doors to the future.

*Remember
we all went to Newport with Ms.
Pappas-Raposa, Santa,
charades in Mr. Talbot's class,
we came to get our pictures tak-
en and the photographer didn't
show up,
Karen and Robin went to New-
port and Barb stayed in school
with "Hem" and stared at pur-
ple ditto ink,*

*you asked yourself if you "came
from the land down under",
the water fight in advanced
chemistry,
Lorelei picked up the guys, Ann
was the "new chick" in study
hall,
Lori's party.*

*Remember
the pumpkins,
Lorraine and Barb at the Junior
Prom,
Timmy had his "first winter bash
of 1983,"
the Girl's Field Hockey Team*

*went to State's and almost won
the state championship,
we got rained on at People's
Forrest,
the last day of our junior year
was spent at Lake Mark.*

*Remember
we all rocked in our New Year
"83" at Rob's wild party,
Sunday football games at Ken-
nedy,
those crazy all-nighters at Wen-
dy Z's,
the Raiders got raided at Sandy*

*Beach,
Dotty's prom,
Homecoming "82" became
magical our bull turned into
an elephant, we kept asking our-
selves, "Should we stay or
should we go?"*

*Remember
we got some unexpected visitors
at the Senior Halloween Party,
we went to the drive-ins but
could never drive out,
we went to McDonald's for our
midnight snacks,
fun in the sun at Powder Hollow,
Turkey Day '82 at the pits,
Fast Times at Enfield High,
the Zany nights at Zachary's,
the square was your endless
alibi,
college fair was a free day from
school,*

*those nights we "painted" the
town,
our hockey team made CCIL
champs,
we started the first day of our
senior year with a "twist,"
when the square was the in-
place to be,
when Town Farm was the road
that led to many good times,
when we rocked around the
clock at 1, 2, and 3 a.m.,
we almost didn't have a year-
book.*

As a result of the increasing number of students electing to take science offerings and because of the continually increasing importance of scientific knowledge in today's technological society, the Science Department of Enfield High School continues to emphasize and offer the established curriculum.

The basic science curriculum of full year courses consists of: **BIOLOGY, PHYSICAL SCIENCE, CHEMISTRY, ANATOMY and PHYSIOLOGY, and PHYSICS.**

More comprehensive studies in Biology, Chemistry, and Physics are also offered as full year courses:

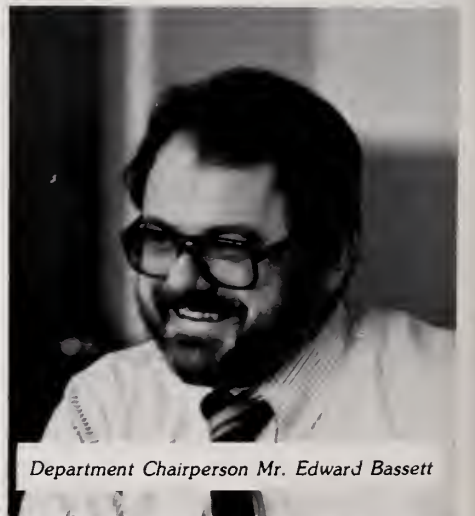

ADVANCED CHEMISTRY, ADVANCED BIOLOGY, and ADVANCED PHYSICS.

In addition, the Science Department offers semester courses in the following areas:

ECOLOGY, BOTANY, ASTRONOMY I, ASTRONOMY II, and HEALTH.

Independent study is made available upon request for those students who have specific needs not met by the established curriculum.

We, the staff of the Science Department of Enfield High School, wish to offer our congratulations and best wishes to this year's graduating class.

Department Chairperson Mr. Edward Bassett

Social Science

The 1982-1983 school year was one of continual attempts to provide avenues for self-realization and self-fulfillment for students in Social Science classes. The Social Science curriculum has been designed to provide choices, to increase the possibility for students to make some meaningful contact with society, to identify and understand complexities in today's world, and to formulate responsible value systems for life in a diverse world.

The Foreign Language Department at EHS has continually encouraged students to study a foreign language not only to extend their knowledge of other cultures, but also to improve their potential in the world of work. In addition, the Foreign Language Department feels that learning other languages helps one understand and use his own language more accurately and effectively.

French, German, and Spanish are taught in an approach that is audio-visual with emphasis on the sounds of grammar patterns of the spoken language. Latin is also presented in a dynamic manner with audio-visual materials that help the student to develop a better cultural understanding of classical antiquity and its implications in the present.

In recognition of the vital roles that mathematics and computers play in our lives, the Enfield High School Mathematics Department offers a varied and extensive program of studies. The offerings range from practical courses for those students who desire proficiency in basic skill areas to theoretical courses for those who will pursue the study of mathematics and computers beyond high school. It is hoped that the students of the 1983 graduating class have gained an understanding of the relevance of mathematics and computers to everyday experiences, and will pursue their studies to the highest level of their abilities.

Department Chairperson Ms. Barbara Flebotte

Business

The Business Department offers a variety of courses for skill development and socio-economic subjects that provide training in office and business related occupations. On-the-job training opportunities are available in the fields of office and distributive occupations. Many courses also serve as a background for advanced study.

The Guidance Department, in concert with the other disciplines (departments) at Enfield High School, stresses the acquisition of skills and the development of habits concerning self analysis, decision making, inquiry learning and academic and perspective analysis planning.

Our main goal is to guide the students in examining their abilities, capabilities, interests, attitudes, habits, and volitions.

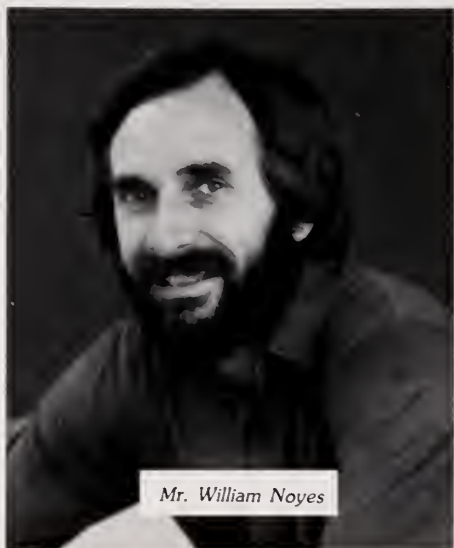

We must specifically focus on the student's approach to life and a life of learning through job career and college identification, understanding and pursuit. We have expansive resources available to the students in these areas.

Industrial Education

The program in Industrial Education offers students an opportunity to explore and become acclimated to modern techniques. Program offerings are: Home Mechanics, Automotives, Electricity, Technical Drawing, Machine Drafting, Architectural Drawing, Material Processing, Wood Technology, Metal Technology, Graphic Arts, and House Design.

Family Living

Regardless of ethnic and economic backgrounds, we all share certain commonalities; we are all part of a family, and we are all consumers. However, many individuals do not have an opportunity to understand or develop the skills necessary to deal with problems related to ourselves, our families, and society in general. The department of Family Living and Consumer Education focuses upon the individual and seeks to develop self-awareness through a variety of courses dealing with many aspects of our personal and social lives.

Offerings include Independent Living, Family and Society, Exploring Parenthood, and Interior Design, as well as courses in the areas of food and clothing.

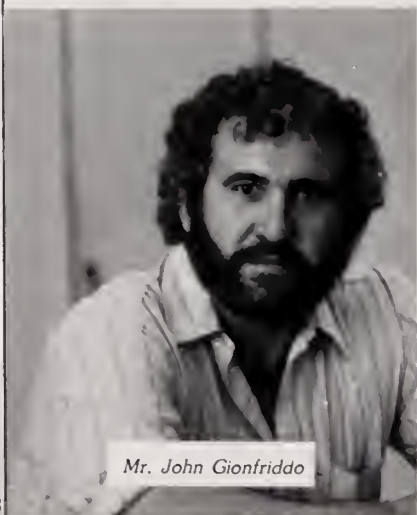

Department Chairperson Mrs. Christina MacDonald

Under the direction of Mr. John Gionfriddo, the instrumental music department offers a wide variety of performing opportunities. Courses include Marching Band, Concert Band, Jazz Ensemble, and several small chamber ensembles. These groups perform throughout the school year and have represented our town and school both in and out of the state.

The classroom curriculum is aimed to accommodate three different kinds of students; the general student, who may include the History of American Music or Electronic Music in his studies; the college bound liberal arts and elementary education majors; and the advance music majors, who would study music theory and composition under the capable guidance of Mr. Leonard DeMaio.

Mr. Rocco Autorino, an accomplished vocalist in his own right, is in the director's chair when our mixed and select choruses take to the risers for a performance. The vocal class which he conducts helps the student gain confidence in his solo work, improve his vocal technique, and realize the potential of his own voice.

This was a dynamic year in the Art Department. The students were provided with the opportunities to acquire basic skills as well as difficult concepts. This enabled all individuals to exercise their creative abilities. Student art work was continuously on exhibit throughout the building for the pleasure of the entire student body and staff. This has been a good year for field trips and guest speakers as well.

We know that this year filled with change and challenge has helped the students of Enfield High School to grow and develop their self-expression. We will miss those of you who are leaving us and hope you will carry fond memories of our Art Department.

Physical Education

In an attempt to meet the changing needs and interests of students, the Physical Education Department offers a wide variety of activities. These activities include many individual and team sports.

Tenth grade students participate in a structured program which includes both team and individual sports with emphasis on fundamentals and knowledge to prepare them for selection of activities as juniors and seniors.

Juniors and seniors are required to take physical education and also have the opportunity to select from a wide range of activities that are offered. The emphasis at this level will be to further acquaint students with numerous activities and to help define their skills for a lifetime of physical activity.

After a disappointing 81-82 season, the Enfield High Soccer Program is on the upswing. The team experienced a sporadic season finishing with a record of 5-9-1. The team's best effort was a 4-3 double overtime upset victory over Hall, the first in the school's history. Kyle Sidway, Tri-Captains Mike Baer, Tom Percello and Paul Smith had fine seasons. Frank Horvath, Dean Zirolli, Tom Saso, and Chris Dickman also played well. The team was helped by many talented underclassmen including Steve Palmer, Steve Chaput, Craig Janney, Joe Kobryzcki, Goalie Mike Houff, Matt Buanno, Dan Angelica, and Dave Arrighini, who were solid players.

Enfield fielded a very young team this season which was captained by Seniors Christine Morris and Marcia Dougan.

The disappointing 1-10-1 record was redeemed in the last dual meet when Enfield soundly defeated cross town rival Fermi for the fourth consecutive year. Outstanding individual performances provided some real bright spots. Freshman Theresa Lipinski swam the 100 yard breaststroke in record setting time while placing eighth in the CIAC "S" Division Finals. Patrice McKiernan recorded a sixth place finish in the 100 yard butterfly. The medley relay team of Patrice McKiernan, Theresa Lipinski, Marcia Dougan, and Dawn Oneto finished seventh in the division finals and also set a school record in the event.

The youthfulness of this year's team bodes promise for the future.

Captain Peter Moore

As we look back upon our sports seasons, let us remember the victories, great and small, as well as the disappointments; let us always recall the valiant efforts put forth by all. Let us never forget the dedication we have given in the name of good sportsmanship. Let us recall the memories, friendships, and confidences which will now remain an intricate part of us and our lives.

Boys Basketball

Kneeling, left to right: Bill Chaves, Scott Daniels, Captains Mike Baer and Peter Moore, Gene King, and Mark Turgeon. **Standing**: Rich Parasiliti, Kevin Curry, Dave Dubois, Warren Nagle, Kevin Lorino, Jim Weidl, Dave Arrighini, Mike Nosal, and Coach Bob Bromage.

The Boy's Varsity Basketball Team was led by Senior Captain Mike Baer and Captain Peter Moore. Although their 3-12-0 record was a disappointing one, the time and effort contributed by both the players and Coach Bromage leaves us with an optimistic outlook for the 1983-84 season.

The team members wish the best of luck to Seniors Mark Turgeon, Dave Dubois, Mike Baer, Warren Nagle, and Jim Weidl.

Captains Mike Baer, Peter Moore, and Coach Bob Bromage.

Wrestling

Sitting, left to right: Eddie Martocchio, Art Potter, Bill Sizemore, Dave Fredrick, Ric Bolduc, Bob Ralston, and George Fields. **Kneeling**: Steve McDonald, Brian Webster, Tom McDoanld, Captain Ed Sousa, Captain Martin Green, Dave Oliveri, Tom Giordano, Doug Ciemniewski, and Ed Sic. **Standing**: Coach Kirk Parker, Manager Julie Martocchio, Dan LaRoache, Dave Sizemore, Juan Gonzalez, Charlie Gambino, Art Dickman, Keith Wessels, Paul Morris, Jeff Bouchard, Scott Ingram, Kevin Arruda, Greg Moxley, Managers Lisa Carzello and Dianne Cyr, and Coach Joe Androchowski.

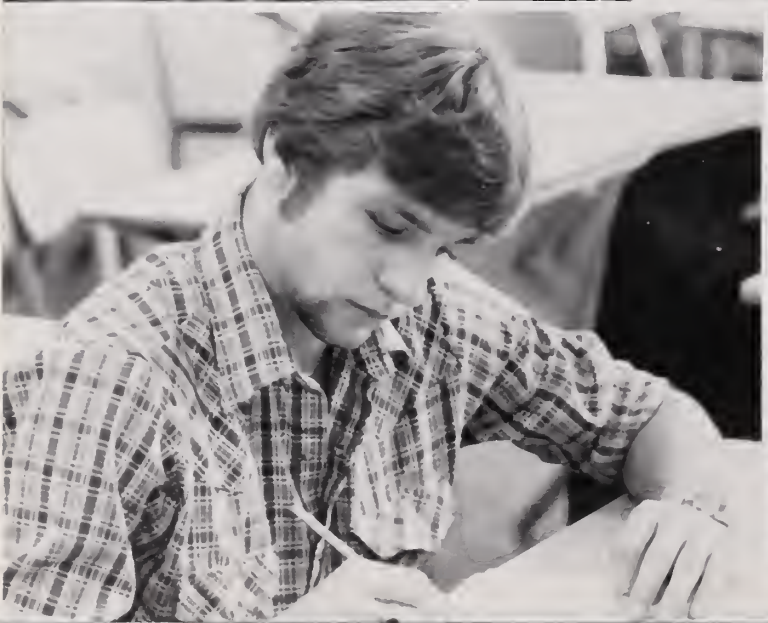

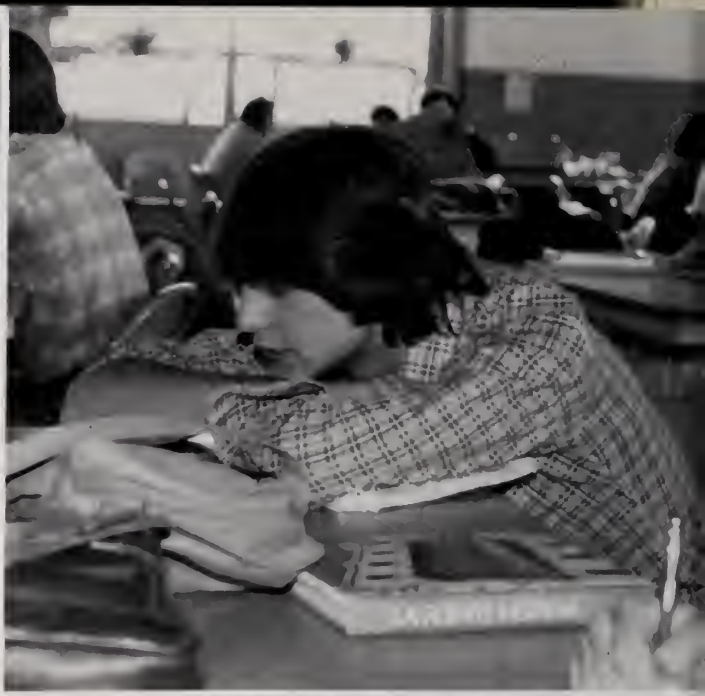

The Wrestling Team had a very successful season this year, capturing the CCIL title. The team was coached by Kirk Parker and Joe Androchowski, who worked very hard with each wrestler making them a strong team. The wrestlers are grateful for all the effort the coaches put in. The team wishes the best of luck to graduating Seniors Captain Marty Green, Captain Eddie Sousa, Bill Sizemore, Charlie Gambino, Art Dickman, and Ric Bolduc. The rest of the team looks on to the seasons to come with an optimistic outlook.

In Remembrance of Michael Dubois

*In loving memory of Michael,
A graduate of Enfield High.
Like us- he had dreams of tomorrow
Like us- never imagined he'd die.*

*It was a hot summer night
In June of '82
When he received his diploma
A goal he had set to do.*

*Although we can not change
What was God's will-
We won't forget how proud we were
to see him march down the hill.*

*He was a warm friend to everyone,
A guy we were honored to know.
May his memories stay cherished inside of us
As we journey through life and grow.*

Susan Sanchez

*We love and miss you!
